### TWO NOVEMBER FIELD TRIPS (1) Saturday, Nov. 6, 6:45 AM SUNGLOW PIER IN DAYTONA BEACH

Saturday, November 6th we are planning a sunrise shoot at the Sunglow Fishing Pier in South Daytona Beach. [3701 S. Atlantic Ave., Daytona Beach, 32118]. Sunrise will be at 7:40 am, dawn will break around 7:15am, so I recommend setting up between 6:45am and 7:00am so you're ready to shoot.

Brunch will be at Crabby Joe's right there on the pier.

It would be a shame not to make the short ride down to the Ponce Inlet Lighthouse while we're there [4931 South Peninsula Drive, Ponce Inlet, 32127], it opens at 10:00. Admission: \$6.95

Finally, a visit to the Southeast Museum of Photography at Daytona State College [1200 W. International Speedway Blvd., Daytona Beach, 32114] would be a great way to wind up this field trip, it opens at noon.

Feel free to do one, two or all three of these events... just thought we'd make the most of our visit!

### (2) Saturday, Nov. 13, 10:00 - 5:00 Lady in the Lakes Renaissance Faire

Please join my Co-Host, Deborah Seaman, and me on the following Saturday, Nov. 13th, for the Lady of the Lakes Renaissance Faire in Tavares!

[12835 County Landfill Road, Tavares, 32778]

Every dollar from this event goes to the public schools of Lake County, a very worthy cause. You will find colorful characters in colorful costumes, music, food and entertainment....even jousting! The Faire is from 10:00pm- 5:00pm, and tickets are \$15.00 plus \$1.82. We'll have fun!!

**As always, please RSVP to fieldtrips@orlandocamera-club.com. Thanks!**

The Treasure Coast Photography Center, Inc. wants to make you and your members aware of the 9th annual From the Heart Juried Photography Exhibition.

We are a 501c3 photography group on Florida's Treasure Coast that has presented a juried photography exhibition at the Port St. Lucie Civic Center Art Gallery for the past eight years with all of the net proceeds going to a charity partner who this year is Harmony Hope Stables (http://hhstables.org). Their mission is to provide Harmony, Hope and Healing to the lives of children in need. Their equine and music programs focus on children who have suffered abuse, trauma and neglect along with those with special needs.

Entry into the exhibition not only benefits our charity partner but also gives the photographer an opportunity to share in the \$2000 worth of awards.

So to this point, the From the Heart committee would appreciate you making your members aware of the From the Heart Juried Photography Exhibition through your organization's meetings and announcements.

Entry is open from December 28th 2021 thru February 15th 2022 and we are attaching a copy of the prospectus which can also be found at www.OnLineJuriedShows.com our "From the Heart Juried Photography Exhibition" Facebook page and website www.TCPCinc.org.

The North Shore Birding Festival on Lake Apopka in Central Florida is for birders visiting Florida or locals wanting to learn more from well-known, knowledgeable birding guides. Add to your life list while exploring a unique birding hot spot only 35-45 minutes from Orlando attractions.

The Lake Apopka North Shore has been designated an American Bird Conservancy Globally Important Bird Area, a National Audubon Society State Important Bird Area, an Audubon Florida Special Place, and is on the Great Florida Birding and Wildlife Trail.

On eBird, the Cornell Laboratory of Ornithology's online program in which birders record their sightings, the Lake Apopka North Shore is now the top eBird hotspot in Florida (For comparison of hotspots, see this link).

Nearly 370 species of birds have been sighted, more than any inland site in the U.S. including the Everglades.

The sixth annual festival, sponsored by Orange Audubon Society, starts Thursday night, December 2nd, with an opening keynote.

On Friday, December 3rd, through Monday, December 6th, participate in field trips on the 20,000-acre Lake Apopka North Shore property and other Central Florida sites.
