“Life in the Chesapeake Bay – Tangier Island,  
a Visual Journey”  
By Irene Hinke-Sacilotto

Just south of the Maryland line, in the middle of the Chesapeake Bay, lies Tangier Island, VA. It is actually a series of small islands connected by narrow bridges spanning marshes and tidal creeks. From the mainland, it can only be reached by boat or small plane. On its narrow roads, golf carts and bicycles replace cars as the primary mode of transportation. It is a charming community of shop owners and waterman, with many inhabitants making their living on the water as did their ancestors, oystering and crabbing. Recently, Tangier Island has been the focus of news stories as a possible casualty of climate change and sea level rise as each year flooding on the island becomes more frequent and erosion increases. This presentation is a visual journey, compiled from photos that I have taken over the years. It explores life on Tangier and paints a picture of the island, waterman community, and the wildlife that inhabits its marshes, lagoons and tidal guts. Includes tips on photographing the waterman community and wildlife.

You are invited to a Zoom meeting.

Since 1979, Irene Hinke-Sacilotto has led numerous tours and conducted many photographic workshops for zoos, nature centers, and organizations like the National Wildlife Federation and the Assateague Island Alliance. She regularly lectures at Johns Hopkins University and conducts seminars for bird and photo clubs including the New England Council of Camera Clubs. Irene's "How To" articles have appeared in national publications including Shutterbug's Outdoor and Nature Photography, Outdoor Photographer and Birding. Her photography has appeared in numerous magazines such as Birder's World, National Wildlife Federation, Natural History, as well as many books, calendars, note cards and posters produced by Audubon, National Geographic, NPS and Sierra Club. Irene's degrees in biology and chemistry and her strong background in the environmental science field make her uniquely qualified to understand and photograph the natural world.

**MONDAY, Sept 12th 6:30pm  
Annual Camera Gear Sale & Town Hall Meeting**

Our annual Camera Gear sale is finally back!.....and you won't want to miss it! Whether you are buying or selling, join us on Sept 12th .....THIS IS A GREAT TIME TO BUY CAMERA GEAR!!!! In addition to the Gear sale, we'll also vote on the slate of Officers and get your feedback about how the Orlando Camera Club is serving your needs.

Sellers: This is your chance to clean out your closets and sell your photo gear to fellow OCC members. Feel free to sell cameras, lenses, bags, tripods, accessories, filters, etc. The sky is the limit!

**Selling Guidelines:**

- 1) You are not allowed to bring in your own tables
- 2) Set up begins at 6:00pm
- 3) All unsold gear must be packed up and removed from Mark Street Senior Center by 7:45 pm.

RSVP: In order to participate, please RSVP to Programs@OrlandoCameraClub.com by 8/31. I'll also need to know how many round tables you'd like to reserved (limit 2)

*Let's get together!*

- May 2023 Butterflies

Since the weather in August is so HOT, I thought it would be a welcome change to do something inside! Thank you, Joy Fox, for bringing this venue to my attention.....

**DEZERLAND PARK!** Dezerland Park has all sorts of fun activities going on....and they're all inside! For our field trip we will be visiting the Auto Museum! They have every kind of car imaginable! I have spoken with the events coordinator, and they usually run tours, but I asked that we be given free roaming so that we can shoot the cars we like to our hearts content, and not be limited to a tour....and she understood, and agreed to one hour.

**RSVP:** A MUST to go in with our museum group, because I will be writing a check for the exact number of people that RSVP. (please bring your \$20 to the event for our Treasurer) If you just want to show up and enjoy the other activities, then you will have to pay separately.

\$18.95 is the price for Seniors, but since we will be going in as a group, she was kind enough to make that the cost for each member of our group. After our time in the museum, they have several options in the park where you can buy the lunch of your choice.

Other activities that you might want to enjoy after our time in the auto museum are: bowling, go karts, bumper cars, billiards, all opportunities to practice ACTION SHOTS! Check out their website for the cost of each activity: [dezerlandpark.com/orlando](http://dezerlandpark.com/orlando)

## Photo help needed for Beads 4 Beats

Beads 4 Beats will once again be holding their 5K race to raise money to support children and families facing chronic and terminal illness in the area.

The charity was started in 2010 by 13 year old Lucinda Howard. She is an amazing young lady and it has been a pleasure to see how her efforts have grown over the years.

Our own Cliff Morris and his amazing wife are huge supporters of this cause.

Here is a link to their web page. <https://www.beads4beats.org/>

The race is held at Dr. Phillips park and is from 8-10:30 on Sept 24

3-4 spread around the course would be great. There is plenty of parking.

IF you can help let me know. Thanks so much.

## Photo help needed for Tunnel to Towers

Hope you are surviving the heat these days. I have a couple of events coming up in the next few months that I wanted to let you know about.

This one is the annual 5k race for Tunnel to Towers. It will be held on Sept. 10th at Crane's Roost in Altamonte Springs. Arrival time is 6 a.m.

I have done this race in the past and it is a bit unique in that some fire fighters and other first responder groups will run it in full gear. Pretty impressive to see and photograph. Unfortunately I am out of town for this one and am not able to help.

They are asking for 6 photographers who will be positioned around the course. Jim Peters has already agreed to help. Thanks so much.

Please let me know if you are able to help and I will get you additional info.

Please contact Carol Winardi at [communityservice@orlandocameraclub.com](mailto:communityservice@orlandocameraclub.com) to volunteer or for more information.

This is the 2022-2023 OCC BOD Nominees.

**Please note we have two open positions.** This will be presented at the meeting on Aug 22 for your consideration. You will be asked to nominate other members for these positions.

Please consider nominating yourself. Minimally we did need a President Elect to continue our club into the future.

## RETROSPECTIVE TRAVEL SERIES

RETROSPECTIVE TRAVEL SERIES

The Retrospective Travel Collection features a timeless look that is reminiscent of an age when natural cotton fiber offered the softest fabric with the most durability.

Our proprietary stone-wash/tumble-dry technique produces a crackle effect, like a stone's surface, that is unique to each bag. Plus, a tartan fabric liner highlights the elegance of this heritage series. All materials are treated with a water-repellant coating to protect against moisture and wet weather. And with Think Tank's reputation for design and build quality, the Retrospective Travel Collection will stand the test of time.
